Dear Mr. Jackson,

I have just
received your check
for \$20. on the
Washington Bank
in favour of the
Bazaar, for which
W. Chapman

May receive my
warmest thanks,
& hereafter I trust
to render a good
account of it.

There is no Liberty
Belle this year, - the
need seeming to
be less for it in

these days of "Dicks",
& "Ida May's", - Sum-
mer flappings, & Remont
Campaigns, which
have broken ground
so thoroughly for a
great peat next year.
Meanwhile, I
have advanced
in the collection of

Maria W. Chapman 1839
ack

of curiosities &
pretty things from
Europe, about the
same I usually col-
lect for the Bell, &
with your kind per-
mission will thus
appropriate your
welcome donations.
My Mother is out
of danger
yours cordially & respectfully. A
